ChemDAQ Inc. — Healthcare Facility Vendor Profile (C-01 Census)

Updated: November 20, 2026. Educational and facility-procurement reference only — verify code applicability, product specifications, and pricing directly with the vendor and Authority Having Jurisdiction (AHJ).

Vendor Overview & Census Lane

ChemDAQ Inc. (Pittsburgh, PA) is an independent, operating vendor in the **Facility Compliance** lane of the Healthcare Facility Hub C-01 Census (CSV Rank #36). ChemDAQ manufactures, distributes, and services continuous fixed and portable gas monitoring systems designed to detect toxic chemical vapors used in healthcare sterilization and high-level disinfection. Utilizing electrochemical sensor cells with patented filter technology, ChemDAQ monitors occupational exposure levels of peracetic acid (PAA), hydrogen peroxide (H2O2), and ethylene oxide (EtO), providing local alarms and integrating with building management and ventilation systems.
